Get to Know Us

PDE, the oldest active trade association in the U.S. founded in 1861 is a dynamic organization of healthcare professionals and academics, industry suppliers and pharmaceutical consultants dedicated to providing and promoting industry, educational, and social interaction among member companies in order to promote the financial competitiveness and long-term viability of its member companies.

Who We Are

- We are the PDE, formerly known as the Philadelphia Drug Exchange,
- We were founded in 1861 and are the oldest active trade association in the United States.
- We were formed to promote and protect the manufacturing and distribution interests of the pharmaceutical, chemical and related industries.
- Today, we are a major networking organization with approximately 100 member companies ranging in size from relatively small distributors and suppliers to some of the largest firms in the pharmaceutical industry.
- Our membership is predominately located in Pennsylvania, Delaware, and New Jersey.
- We are administered by a Board of Directors, all of whom are elected by the membership.

What We Do

- Provide excellent opportunities for social networking.
- Offer educational seminars and round table discussions.
- Provide linkage to other professional organizations, viz., PA Bio, PCCI and PPF.
- Manage interactive website for all member companies including MemberLink & LogoLink.
- Award four annual \$2,500 scholarship stipends to high school seniors of member companies and two \$2,500 stipends to deserving local pharmacy students.
- Provide awards at the Delaware Valley Science Fair in the field of Medicine/Health.

How to Apply

- Complete the PDE Membership Application available on the PDE website.
- Obtain letters of recommendation from two current PDE member companies.
- Submit application to Chairperson of PDE Membership Committee with application fee of \$125.
- Applications are reviewed four times annually (January, April, September and November) at PDE Board Meetings.
- Two-step review and approval process by the PDE Membership Committee and the PDE Board of Directors.
- Annual low-cost corporate dues of \$450 entitle every employee of your company to participate in all PDE functions.

Standing Committees

The PDE's success is due in large part to the many members who give their time to the following committees.

The **ACTIVITIES COMMITTEE** plans and schedules four social functions: the semi-formal Spring Gala, the Spring and Fall Golf Outing & Dinner Meeting and the Annual Business Meeting.

The **MEMBERSHIP COMMITTEE** is dedicated to promoting, enrolling and maintaining a continuous, active membership in the PDE by recruiting Pharmaceutical, Chemical and Allied Trade Companies and Schools of Pharmacy.

The **PUBLIC RELATIONS COMMITTEE** is responsible for developing and executing strategies which promote the value of membership in the PDE and can lead to business development opportunities for its member companies.

The **SCHOLARSHIP COMMITTEE** administers the annual scholarship programs. The Committee also organizes a scholarship golf outing with all proceeds benefiting the scholarship programs.

The **SERVICE AWARDS COMMITTEE** is responsible for awarding the prestigious Procter Medal and administering the J.J. Hart PDE Distinguished Service Award, presented in recognition of extraordinary contributions and service to the PDE.

The **WEB PRESENCE COMMITTEE** provides value to the membership by designing and implementing an efficient interactive communications website, www.pdetrade.org.
